

The Appointment System is changing

Due to the rising number of patients the current system of 'Walk-in and Wait' in the mornings has become unworkable.

We have listened to your comments and will be changing the Morning surgery to enable us to improve the service to you.

**From Wednesday 30th November 2011
the 'Walk-in' surgery will be replaced
by booked appointments.**

The Afternoon surgeries and telephone consultations will remain the same as now.

Further more detailed information will be made available soon.

Please keep an eye out for posters, flyers or our website www.elybridge.co.uk over the coming weeks for more information.
